TO WHOM IT MAY CONCERN

This serves to confirm that Dent Doctor has done R1 million + of work for Hyundai Motor Distributors during the past year.

We found that the work done was of a very high standard, and we have had no "comebacks" at all.

We would highly recommend Dent Doctor for paintless dent removal on vehicles.

Your sincerely

The Company Dent Doctor repaired successfully +/- 300 new BMW Cars, which had been subjected to hail damage if we were unfortunate enough to be in that position again I would not hesitate to use this company again.
